

By Two Years of Age Your

Toddler Does...

Name:

Birth Date:

Date:

- Usually have healthy ears and seem to hear well?
- Point to at least two familiar objects when asked (e.g. car, bowl)?
- Ask for help using words or actions?
- Learn and use one or more new words a week (may only be understood by family)?
- Join two words together like "want cookie", "more milk", "my hat"?
- Eat most foods without coughing and choking?
- Eat with a utensil with little spilling?
- Take off own shoes, socks or hat?
- Try to run?
- Play in a squat position?
- Walk backwards or sideways pulling a toy?
- Make scribbles and dots on a paper or in the sand?
- Put objects into a small container?
- Like to watch and play near other children?
- Say "no", and like to do some things without help?
- Recognize the use of familiar objects (e.g. drink from cup, hug doll)?
- Use skills already learned and develop new ones (e.g. no loss of skills)?
- Copy your actions (e.g. you clap your hands and he/she claps hands)?
